

The following list of locations form exclusions for aircraft operators in the Great Barrier Reef Marine Park. Although your permit may not exclude these areas for all activities, we encourage you to adopt best environmental practices and avoid the following areas where possible during the periods specified.

ALL MANAGEMENT AREAS

Avoid Preservation Zones and Designated Areas (where provision is not made for use and entry authorised under the permit), as well as the locations listed below during the specified periods.

FAR NORTHERN MANAGEMENT AREAS

The permittee must not, in the vicinity of the areas set out in this condition, during the periods specified:

- (i) operate an aircraft at a height less than 1500 feet
- (ii) land or take-off by aircraft
- (iii) taxi the aircraft

unless otherwise endorsed on the permission or when in transit for landing/take-off from a location outside the Marine Parks.

<u>Reef ID</u>	<u>Area</u>	<u>Period</u>
12-011b	Baird Island	All Year
