PLEASE NOTE: This guide provides an introduction to Zoning in the Great Barrier Reef Marine Parks. For more information on these areas, please refer to the Queensland Marine Park Zoning Plan, Restrictions and/or closures under Queensland legislation (eg. Fisheries Regulation 2008 (QR) are not shown. Users should familiarise themselves with all legal requirements relevant to their particular activities before entering or using the Great Barrier Reef Marine Park or the Great Barrier Reef Coast Marine Park.

The inshore boundary of the Great Barrier Reef Marine Parks follows the coastline of Queensland at low water except to the extent such waters are within the limits of the State of Queensland within the meaning of section 14 of the Seas & Submerged Lands Act 1973, or where otherwise indicated (such as port areas). Any depiction of the inshore boundary on this map is indicative only.
