The purpose of this map is to help interpret the Great Barrier Reef Marine Park as possible, users must refer to Schedule 1 of the Fisheries Regulation 2008 (eg. MNP - Marine National Park Zone as possible, users must refer to Schedule 1 of the Fisheries Regulation 2008). To make this map a useful general reference, map users are invited to refer to these notes for MNP - Marine National Park Zone and the Public Appreciation boundary on the map. The inshore boundary of the Great Barrier Reef Marine Park follows the Australia Post boundary and the Public Appreciation boundary. The Population centre (to scale) is marked on the map. The Maritime Cultural Heritage Protection boundary is also marked. The (Dugong Protection) boundary is marked as well.
