CONDITIONS OF THIS PERMIT

CONDITIONS FOR ALL PERMISSIONS

- G1 Unless otherwise indicated in this permit, the Permit Holder must:
- (i) not use or enter the Marine Parks in a manner that is inconsistent with the provisions contained in Part 1 of a Plan of Management;
 - (ii) not contravene a provision contained in Part 2 of a Plan of Management; and
 - (iii) only access an intertidal area adjacent to a Planning Area location in a manner consistent with that provided in a Plan of Management for the Planning Area location itself.
- G2 The Permit Holder must:
- (i) not use or enter the Restricted Access Special Management Areas at any time, other than in accordance with condition B2 or C5;
 - (ii) not use or enter the Maritime Cultural Heritage Special Management Areas except for the purpose of transiting, other than in accordance with condition B2 or C5; and
 - (iii) only use or enter Special Management Areas in accordance with the restrictions specified in the *Great Barrier Reef Marine Park Regulations 2019* (Cth) and the *Great Barrier Reef Marine Park Zoning Plan 2003* (Cth).
- G3 Upon request by the Managing Agency, the Permit Holder must produce, within the time specified in the request, any document or information:
- (i) in relation to the activities covered by this permit; or
 - (ii) otherwise required by a law or by some other enforceable obligation.

For the purposes of this condition, any document or information includes, but is not limited to, reports, certificates, approvals, data and copies of documents.

AUTHORITY CONDITIONS

- G4 The Permit Holder may authorise other persons to conduct the activities covered by this permit, by giving to those persons an Authority in the form attached to this permit (Attachment A) or in some other form approved by the Managing Agency.
- G5 An Authority remains valid for the period of time shown on it, unless the Authority is sooner revoked in writing by the Permit Holder or unless the permission(s) to which the Authority applies is sooner suspended, revoked or expires.
- G6 The Permit Holder must provide a copy of this permit to any person given an Authority under condition G4.

DEED CONDITIONS

- G7 The Permit Holder and either or both of the Managing Agencies (whichever is applicable) must enter into the Permit Deed attached to this permit within 30 business days of the commencement date of this permit.
- G8 The Permit Holder must observe and perform its obligations pursuant to the Permit Deed required under condition G7. Any breach of the terms of the Permit Deed shall be a breach of this condition.

INCIDENT REPORTING REQUIREMENTS

- G9 On becoming aware of an incident the Permit Holder must notify the Managing Agency without delay. The notification must include:
- (i) details of the incident including date, time, place, cause and nature of the incident;
 - (ii) the name and contact details of the person(s) witnessing, reporting and/or responsible for the incident;
 - (iii) the type, estimated volume and concentration of any pollutants involved;
 - (iv) the type and number of any pests involved;
 - (v) the type and estimated scale of any physical damage to the environment that has occurred and/or may occur; and
 - (vi) measures taken or proposed to be taken to mitigate physical damage to the environment and the success and/or likelihood of success of those measures.

- G10 If requested by the Managing Agency, a written incident report must be provided to the Managing Agency within 24 hours of the request. This written incident report must include the details specified in condition G9 as well as the following additional details:
- (i) measures taken or proposed to prevent or mitigate against the recurrence of such an incident; and
 - (ii) any other relevant matters determined by the Permit Holder or as directed by the Managing Agency.

VESSELS AND SHIPS

- G11 The Permit Holder must only operate vessels less than 50 metres in overall length unless operating in accordance with condition B4.
- G12 Prior to operating any vessel or ship under this permit, the Permit Holder must:
- (i) give written notification to the Great Barrier Reef Marine Park Authority of the vessel or ship name and registration number of the specific vessel or ship to be operated under this permit; and
 - (ii) obtain written approval for use of that vessel or ship from the Managing Agency.
- G13 A copy of the written approval given by the Managing Agency under condition G12(ii) must be held on-board the vessel or ship at all times.
- G14 An approval under condition G12(ii) above ceases to have effect for a specific vessel or ship when a subsequent approval for the same or any other vessel or ship is given under that condition.

PERMITTED ACTIVITIES

- G15 The Permit Holder may only conduct the following barge activities, for the purposes for which permission(s) has been granted under this permit, in accordance with the conditions of this permit:

Barge Activities
beach landings
transport of freight and goods
transport of packaged fuel but NOT including the transport or transfer of bulk fuel

BEACH LANDINGS

- G16 When undertaking beach landings without an Intertidal Areas Notification Approval, the Permit Holder must only access intertidal areas using a vessel access facility that is of a type and design suitable for the vessel.
- G17 If access to other intertidal areas is required when undertaking beach landings using a vessel greater than 12 metres in overall length, the Permit Holder must:
- (i) only access the intertidal areas listed in an Intertidal Areas Notification Approval provided by the Managing Agency to the Permit Holder with this permit, or provided by the Managing Agency to the Permit Holder in response to a written notice given in accordance with condition G17(ii);
 - (ii) provide the Managing Agency with at least 14 days written notice if the Permit Holder requests access to any intertidal areas not already listed in an Intertidal Areas Notification Approval provided to the Permit Holder under condition G17(i);
 - (iii) comply with any direction provided by the Managing Agency to the Permit Holder relating to access to intertidal areas; and
 - (iv) keep a copy of all Intertidal Areas Notification Approvals provided to the Permit Holder under condition G17(i) with this permit.

BARGE OPERATION CONDITIONS

- B1 The Permit Holder must ensure that vessel or ship propellers are disengaged during cargo transfer unless it is unsafe to do so.
- B2 A minimum of 14 days prior to accessing any Restricted Access Special Management Area, the Permit Holder must:
- (i) obtain written approval from the Managing Agency; and
 - (ii) comply with any directions given by the Managing Agency in relation to such access.

ACCESS FOR OBSERVERS

- B3 The Permit Holder must provide the Managing Agency with:
- (i) access to activities authorised under this permit to witness, inspect or audit any part of the operations;
 - (ii) access to any documented records related to activities authorised under this permit; and
 - (iii) the necessary assistance in carrying out their duties.

TUG AND TOW

- B4 When vessels are in a tug-and-tow configuration and the total length of the tow is greater than 150 metres, from the stern of the towing vessel to the aft end of the tow, the Permit Holder must ensure that the vessels are:
- (i) each less than 50 metres in overall length;
 - (ii) only operated within the Designated Shipping Area or General Use Zone unless transiting to and from an approved intertidal area in accordance with conditions G16 and G17;
 - (iii) not anchored outside the Designated Shipping Area or General Use Zone at any time unless within a Designated Anchorage; and
 - (iv) manned by a suitably qualified pilot within the Compulsory Pilotage Area unless an exemption has otherwise been granted.

CHARTER OPERATION CONDITIONS

WITHOUT NOTIFICATION

- C1 When conducting charter operations, the Permit Holder may provide transport and related services to persons other than tourists, without prior notification to the Managing Agency, except as specified under condition C5.
- C2 The Permit Holder must not conduct charter operations whilst transporting tourists or in conjunction with a tourist program.
- C3 When providing transport and services to persons conducting activities in the Marine Parks which require the written permission of the Managing Agency, the Permit Holder must:
 - (i) not operate under this permit unless those persons have been granted the appropriate Marine Parks permit; and
 - (ii) only conduct operations in accordance with the conditions of that permit.

WITH NOTIFICATION

- C4 When providing transport and services to persons conducting activities in the Marine Parks which require notification to the Great Barrier Reef Marine Park Authority under Part 5 of the *Great Barrier Reef Marine Park Zoning Plan 2003* (Cth) and/or Part 4 of the *Marine Parks (Great Barrier Reef Coast) Zoning Plan 2004* (Qld), the Permit Holder must:
 - (i) not operate under this permit unless those persons have notified the relevant Managing Agency of their intended activities; and
 - (ii) conduct operations in accordance with any directions imposed by the Managing Agency.
- C5 When conducting transport and related services to persons other than tourists, the Permit Holder must not access Preservation Zones and Restricted Access Special Management Areas in accordance with condition G1 unless:
 - (i) in the presence of an officer of the Managing Agency; or
 - (ii) with prior written approval of the Managing Agency.

INTERPRETATION AND DICTIONARY

INTERPRETATION

This permit extends to all employees of the Permit Holder, and other persons acting on behalf of or at the direction of the Permit Holder, for the purposes specified in this permit.

This permit is not intended to extinguish any native title.
